Foreign Language/Fine Arts Waiver Form

Tennessee State Board of Education High School Policy 2.103 states:

Students must complete two (2) credits of the same Foreign Language. The credit requirement may be waived by the local school district for students, under certain circumstances, to expand and enhance the elective focus.

Students must complete one (1) credit in Fine Arts. The credit requirement for fine arts may be waived by the local school district for students, under certain circumstances, to expand and enhance the elective focus.

By signing this form, the student and parent/guardian wish to have the foreign language and/or fine arts requirements waived. The student and parent/guardian understand that additional credits, totaling the number waived, related to the student's program of study (or other area if not available) must be taken in order to meet requirements for graduation. Both parent and student also understand that not completing foreign language or fine arts requirements may result in not being accepted or conditional acceptance at post secondary institutions.
